

April & May NEWS

2008

*** Spring is in the Air!!! Don't you love this time of year? There are so many things to be thankful for. The year is coming to an end quickly. April and May are busy and exciting months. Please watch for invitations and announcements coming home with your children. This school year has brought so much fun and joy to both the students and the staff. This is due largely to the participation of the parents. Thank you for your involvement in the preschool activities. Thanks to all the parents who drove and/or helped on the field trips and for the yummy snacks. Most importantly, thank you for trusting us to provide your child's Christian education this year. It has been a pleasure working with you. I pray that you have a safe and fun summer.
